

Dance Plus Studios refund Policy (2022)

Tuition fees:

As our tuition is billed in half terms we are not able to offer refunds or credits due to change of mind.

If your child is not able to participate due to an extended injury or illness (4 or more weeks) we will credit your tuition fees. A medical certificate will be required.

We are not able to offer credits or refunds if a class runs on-line instead of face to face.

Costume deposits/fees:

If you let us know before we have ordered your child's costume we will refund or credit your costume deposits.

If your child's costume has already been ordered we will not be able to refund or credit your costume fees.

If your child's costume is less than the costume deposits paid we will credit the different towards your next invoice.

Annual Registration Fee:

We are not able to refund or credit your annual registration fee if you choose not to continue midway through the year.
